SRI K. VENKAIAH :—" May I know the information that the Hon. Minister for Education had gathered during his visit and the directions given by Government afterwards to the Director of Harijan Welfare? "

THE HON. SRI C. RAJAGOPALACHARI :—" If the hon. Member were to put a separate question apart from the necessity for travelling then the Hon. Minister concerned would reply."

SRI V. SRI KRISHNA :—" Are the Government aware of the fact that these hostels are becoming a source of profit to the managers who in certain cases happen to be pet-boys of the Ministers? "

THE HON. SRI C. RAJAGOPALACHARI :—" Every good thing has its consequential bad results also."

SRI PILLALAMARRI VENKATESWARLU :—" May I know, Sir, what were the things that were noticed during the Hon. Minister for Education's tour? "

THE HON. SRI C. RAJAGOPALACHARI :—" A separate question may be put, Sir."

SRI T. NAGI REDDI :—" Sir, in clause (*e*) of this question it is asked that if answer to clauses (*c*) and (*d*) are in the affirmative, what steps the Education Minister had taken after his visit. Of course this question had been asked quite a long time ago and the Government have also on their part taken a long time to answer that question. The question could have been asked sometime earlier. But that apart, we want to know what exactly the Hon. Minister saw during his visit and what steps he took after his visit in case the answers to clauses (*c*) and (*d*) of this question are in the affirmative? "

THE HON. SRI C. RAJAGOPALACHARI :—" As Mr. Nagi Reddi has rightly observed the question was put a long time ago and the answer too had been prepared a long time ago. As parts (*a*) and (*b*) of the question dealt with the purpose of travelling of my colleague, I answered it. But if any information is wanted about departmental details a separate question may be put and up to date information will be given by the Minister concerned."

The Rayalaseema Development Board.

* 468 *Q.*—SRI N. SIVARAMI REDDI : Will the Hon. the Minister for Public Works be pleased to state—

(*a*) the names of members—both official and non-official—constituting the Rayalaseema Development Board;

[15th July 1953

(*b*) the functions and jurisdictions of the Board; and

(*c*) the decisions and resolutions adopted by this Board since it was constituted after the General Elections?

THE HON. SRI N. RANGA REDDI :—" (*a*) to (*c*) The answer [a] is placed on the table of the House."

SRI N. SIVARAMI REDDI :—" Sir, what is the principle followed in selecting the non-official members of this Board and may I know whether there are any members in the Board belonging to any of the political parties of the United Democratic Front as it was constituted at the time when the election of these members of the Board was made?"

THE HON. SRI N. RANGA REDDI :—" Sir, I do not know who belongs to the United Democratic Front. But this much I know and that is every member here on the Board represents the interests of the people of Rayalaseema."

SRI T. NAGI REDDI :—" Sir, no doubt the answer to this question is placed on the table of the House. But it contains ten printed pages. Does the Hon. Minister for Public Works seriously expect us to read all the ten pages now, at present. Therefore, I would request you, Mr. Speaker, to have this question postponed to to-morrow."

MR. SPEAKER :—" I have already told the leaders of parties and I think I have already told the House also that I have received answers to as many as 750 questions and I would like to finish all the questions before the House adjourns. Most of these questions have come from the Andhra Members and this being the last composite session so far as the Andhras are concerned I would very much like all their questions being answered in this session itself."

THE HON. SRI C. RAJAGOPALACHARI :—" Sir, if we give brief answers there is a complaint. If we give long and full answers they want an adjournment." (Laughter.)

SRI T. NAGI REDDI :—" I am very glad that the Hon. Minister has given a complete anwer. But inasmuch as this question is an important one I think five minutes could be allotted for the same to-morrow by which time we could have finished reading these ten pages."

MR. SPEAKER :—" How many questions can I postpone like this for to-morrow?"

SRI T. NAGI REDDI :—" Only this question, Sir."

MR. SPEAKER :—" All right. I shall postpone this to to-morrow. I shall now pass on to the next question, viz., question No. 469."
